REFERENCE: 24-HOUR NOTIFICATION REPORT, RECEIVED 03/18/2016

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 1 item(s):

- Your committee filed a 24 Hour Report (see attached) informing the Commission of independent expenditures made in support of federal candidates which have been designated for "2016 Convention." Please be advised that itemized independent expenditures disclosed on 24 and 48 Hour Reports should disclose the following information: the name and mailing address of the payee, the purpose of the expenditure, the date the communication is publicly disseminated or distributed, the amount, the name and office sought, state and district (if applicable) of the federal candidate, the calendar year-to-date, per election, for office sought total, the election designation, an indication of whether the candidate was supported or opposed and the signature of the treasurer. If these independent expenditures were made for a state's primary election, please amend the 48 Hour Report by providing the state. (11 CFR §104.4(b) and (c)). Please be advised that each State's Presidential primary is considered a separate election for purposes of aggregating independent expenditures. Advisory Opinion 2003-40.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to

taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. The Independent Expenditure was originally estimated for \$25,000. The Committee incorrectly amended this Independent Expenditure to reflect one of the vendor invoices but failed to include the remaining estimate amount. This current amendment adds the remaining invoices paid and is the final amount. (Prior Memo Text) Prior to receiving a committee ID and electronic filing password, this Committee made independent expenditures subject to 24-hour reporting requirements. In order to properly disclose this activity, the Committee filed a Form 5 (FEC-1041979) using the Commission's online filing system. The expenditures disclosed on FEC-1041979 were for nationally distributed communications not targeted at any particular state or set of states. Consistent with the Commission's proposed interpretive rules on reporting nationwide independent expenditures in presidential primary elections, the Committee reported these expenditures as being for the national nominating convention. Due to limitations in the online filing system, the Committee was unable to include memo text detailing this on the original reports.
